JANINE DOULTON

Gardening in the Shade

Shade, due to trees or buildings, is an almost inevitable part of gardens and gardening. Understanding that plants respond differently to shade and that a wide range of shade situations are likely to be encountered is invaluable in planning and planting a garden.

We are delighted to welcome Janine Doulton, a Royal Horticultural Society judge, as our first guest speaker of the season whose presentation is themed 'Gardening in the Shade'.

We look forward to welcoming Janine for what is sure to be an informative and helpful talk.

Entrance: Members Free; Non-Members: £2.

Refreshments will be available and a raffle will be held.
